Interest: We reserve the right to charge interest on: (i) payments to you before the settlement date on securities; (ii) payments to you for securities sold where good delivery of securities has not been made; and (iii) on debit balances where payment has not been received from you on or before the settlement date on securities purchased.

Foreign Asset Fee: We are charged by our foreign depositories for account transfers and deposits of foreign securities. These fees will be passed along when incurred.

Mutual Fund Transaction Fee: Transaction fees may be charged for purchases and redemptions of mutual funds that are executed through NFS.

Other Regulatory Fees: A regulatory fee may be assessed on the sell side of all applicable securities transactions.

Overnight Delivery: A fee will be assessed for Customer requested overnight delivery.

¹Commission and fees are subject to change without notice. Please contact your Registered Representative or Investment Advisor with any questions.
